

15 May - 18 May 2022 | Berlin, Germany

# ITS 2022 Meeting - Scientific Programme

	SUNDAY   15 May	MONDAY   16 May	TUESDAY   17 May	WEDNESDAY   18 May	
08:00					08:00
08:15					08:15
08:30					08:30
08:45					08:45
09:00		Session 1: B cells, Protective and Pathogenic Antibodies	Session 5: Marginal organs and ex-vivo machine perfusion	Session 10: Basic mechanisms of organ regeneration	09:00
09:15					09:15
09:30					09:30
09:45					09:45
10:00		Break	Break	Break	10:00
10:15					10:15
10:30					10:30
10:45					10:45
11:00		Session 2: Biobanks and bioassays	Session 6: Mechanisms of alloimmunity and tolerance	Best Abstracts Session "A star is born"	11:00
11:15					11:15
11:30					11:30
11:45					11:45
12:00				Break	12:00
12:15					12:15
12:30		Break	Break		12:30
12:45					12:45
13:00			Break	Session 11: Biomarkers and Big data	13:00
13:15		Moderated e-Poster	Satellite Symposium		13:15
13:30		Break			13:30
13:45					13:45
14:00		Session 3: Innate Immunity	Session 7: COVID-19 – immunological response to vaccination	Awards and Closing	14:00
14:15					14:15
14:30					14:30
14:45					14:45
15:00	Single Cell Multimodal Omics? (Part 1)	Break	Break		15:00
15:15					15:15
15:30					15:30
15:45					15:45
16:00	Break	Session 4: Scientific leadership in transplantation	Session 8: Keynote lecture		16:00
16:15					16:15
16:30	Single Cell Multimodal Omics? (Part 2)				16:30
16:45					16:45
17:00			Session 9: Patient and surgeon: two perspectives on heart transplantation		17:00
17:15					17:15
17:30		Networking Cocktail			17:30
17:45					17:45
18:00		Networking Cocktail			18:00
18:15		Moderated e-Poster			18:15
18:30					18:30
18:45					18:45
19:00					19:00

- Pre-workshop session
- Panel discussion session
- Plenary sessions
- Satellite sessions
