

# ITS 2022 Meeting - Scientific Programme

15 May - 18 May 2022 | Berlin, Germany

	SUNDAY   15 May	MONDAY   16 May	TUESDAY   17 May	WEDNESDAY   18 May	
08:00					08:00
08:15					08:15
08:30					08:30
08:45					08:45
09:00					09:00
09:15					09:15
09:30					09:30
09:45					09:45
10:00					10:00
10:15					10:15
10:30					10:30
10:45					10:45
11:00					11:00
11:15					11:15
11:30					11:30
11:45					11:45
12:00					12:00
12:15					12:15
12:30					12:30
12:45					12:45
13:00					13:00
13:15					13:15
13:30					13:30
13:45					13:45
14:00					14:00
14:15					14:15
14:30					14:30
14:45					14:45
15:00					15:00
15:15	Single Cell Multimodal Omics? (Part 1)				15:15
15:30					15:30
15:45					15:45
16:00	Break				16:00
16:15					16:15
16:30	Single Cell Multimodal Omics? (Part 2)				16:30
16:45					16:45
17:00					17:00
17:15					17:15
17:30					17:30
17:45					17:45
18:00					18:00
18:15					18:15
18:30					18:30
18:45					18:45
19:00					19:00
19:15					19:15
19:30					19:30
19:45					19:45
20:00					20:00
20:15					20:15
20:30					20:30

- Pre-workshop session
- Panel discussion session
- Moderated e-Poster
- Plenary sessions
- Satellite sessions

Session 1:  
B cells, Protective and Pathogenic  
Antibodies

Break

Session 2: Biomarkers, Big data and AI

Break

Break  
Satellite Symposium  
(EUROFINS)

Session 3: Innate Immunity

Break

Session 4:  
Scientific leadership  
in transplantation

Networking Cocktail

Networking Cocktail  
Moderated e-Poster 1

Moderated e-Poster 2

Session 5: Marginal organs and  
ex-vivo machine perfusion

Break

Session 6: Mechanisms of alloimmunity  
and tolerance

Break

Break  
Satellite Symposium  
(MALLINCKRODT)

Session 7: COVID-19 – immunological  
response to vaccination

Break

Session 8: Keynote lecture

Session 9: Patient and surgeon: two  
perspectives on heart transplantation

Networking Event  
19:30 - 22:00  
Beach Mitte  
Caroline-Michaelis-Str. 8 | Berlin

Session 10: Basic mechanisms of organ  
regeneration

Break

Best Abstracts Session  
"A star is born"

Break

Session 11: Biobanks and bioassays

Awards and Closing
