We extend this invitation exclusively to ESOT members in good standing. So please, mark your calendars and arrange to attend the ESOT General Assembly on September 17, 2023. If you have any questions or require further information, please do not hesitate to contact Valentina Ricci, Head of Governance and Education – valentina.ricci@esot.org

One of the key items on the agenda is the formal approval of the Deed of Amendment to the ESOT Society Bylaws. These amendments are necessary to ensure our compliance with Dutch regulations for ANBI status (non-for-profit status), thereby strengthening the foundation of our organisation and ensuring transparency with our community.

The proposed amendments have been carefully reviewed by legal experts at DLA Piper Nederland N.V. Their thorough analysis and input have resulted in updates that align ESOT's bylaws with the latest Dutch legal requirements for non-profit entities (ANBI status). We are committed to transparency and openness in our decision-making process, and we invite you to review the proposed amendments on our website <https://esot.org/esot-documents-2023/>. Your valuable comments and feedback are welcome until September 17, 2023, at noon before the ESOT General Assembly.
