

Mentorship Programme

#PoweredbyESOT

COMING SOON

Applications open on 11 August 2026

A 12-month journey to support your growth in transplantation

**Grow your career. Expand your network.
Shape the future of transplantation.**

"This programme brought me in contact with leading scientists and specialists which expanded my horizon."

The ESOT Mentorship Programme (exclusively available to ESOT members) connects transplant professionals with experienced international mentors for personalised guidance, professional development and meaningful career support.

Guidance

One-to-one support from established leaders in transplantation.

Career Development

Build confidence, clarify your goals and strengthen your professional direction.

International Network

Join a growing ESOT community of mentors, mentees and alumni.

Experience

Selected mentees have the opportunity to visit their mentor's centre.

A growing community

Since its launch, the ESOT Mentorship Programme has developed into a thriving professional network:

countries represented

Who should apply?

The programme is open to transplant professionals from all disciplines, including:

- ✓ Early-career professionals seeking guidance and direction
- ✓ Professionals at a transition point in their career
- ✓ Members of underrepresented and/or marginalised groups, who are particularly encouraged to apply

Join the ESOT Mentorship Programme and become part of a community committed to supporting the next generation of transplant professionals.
