Application for CPD Approval of 10 points submitted to the Federation of the Royal Colleges of Physicians of the UK

GUY'S HOSPITAL KIDNEY TRANSPLANTATION

10th–11th December 2026 | Hybrid symposium

Boland House (Formerly Science Gallery), London, UK & via livestreaming

General Information

Book your place via: **EStore**

Contact: ctukeducation@kcl.ac.uk

The kidney transplantation event returns for 2026. This two-day in person and online course is designed for consultant and trainee nephrologists but would also be useful for other health care professionals in the field of kidney transplantation. During the course, you will get an update on all aspects of kidney transplantation by expert clinicians, take part in discussions and assess difficult cases.

2 day in person	Starting from £150*
1 day in person	Starting from £90*
Online tickets	Starting from £80

** Early bird prices available until 27th November 2026*

AIMS

At the end of this course, the participants will

1) understand how to assess kidney donors and recipients
2) get an update about diagnosis and current management of the medical complications of transplantation
3) get an up-to-date in the clinical management of transplantation and its complications
4) understand how to improve the short and the long-term outcomes of renal transplant recipients
